Per la realizzazione di questo catalogo è stata utilizzata carta ecologica.

Il formato ottimizzato 10x15cm (1/4 del formato A4) ci ha permesso di stampare ben 64 facciate con un singolo foglio macchina, ottimizzando lo sfrido evitando così inutili sprechi di carta.

For the realization of this catalogue we have used eco-friendly paper.

The optimized size 10x15 cm (a quarter of A4 format) allowed us to print up to 64 pages in a single machine sheet, optimizing the waste and avoiding unnecessary paper wastage.
